### **IFAST Settles ATIS Lawsuit**

IFAST, LTD., a Maryland based, not for profit organization announces that the lawsuit brought against two of its directors on February 14, 2005 by the Alliance for Telecommunications Solutions (ATIS), a Washington, DC firm, was resolved by a confidential agreement between the parties signed on July 3, 2008.

### **About IFAST**

Established in 1996, IFAST is an independent, not for profit forum that facilitates the identification and resolution of issues to enable the interoperability of systems between countries, carriers, technologies, and standards, thereby protecting the investment made by the industry in the ANSI-41 family of standards while evolving to a seamless global network.
